

A Firm Foundation for ANY House

Reward is more than just a basement!

No matter what type of home you are building - wood frame, modular, log or panelized - choosing Insulated Concrete Forms for your basement walls will add value and comfort to your home. Instead of the damp, musty storage area you get with conventional poured or concrete block basements, you can enjoy luxurious living space and increase the value of your home with Reward.

Benefits include

- Fresh Clean interior environment.
- Warm in winter, cool and dry in summer.
- No unpleasant, musty odors or garage fumes
- Year-round uniform temperature that greatly decreases heating and cooling costs
- Protection during violent wind storms
- Walls installed complete with insulation and furring strips - ready to finish
- Design flexibility that conforms with any house plan.

Think of all that bonus living space -
a home office, game room, extra bedrooms or even a home theater.
With a Reward basement,
you can increase your living space by as much as 50%.
